HAVE YOUR SAY

ABBEEY STREET DEVELOPMENT

Nuneaton and Bedworth Borough Council, together with its Strategic Development Partner, Queensberry, are consulting on proposals for the Abbey Street development, which includes the Heart of England Co-op Society's Head office building, land on Abbey Street and Queens Road and the Abbey Street Car Park.

A plan is being developed to help support the transformation of the town centre and we would like to hear from people who live and work in and around Nuneaton town centre, as well as visitors to the town.

Our aim is to bring forward plans for a thriving new town centre destination. It will be a place where people can come together and enjoy spending time. A place that will help every business whether it is a 'high street name' or a small independent. And with more on offer there will be more visitors in a town centre Nuneaton deserves and can be proud of.
